

The Consortium on Race, Gender, and Ethnicity presents
**MOVEMENTS AND STRUCTURAL INEQUALITIES:
RACE, IDEOLOGIES AND PRACTICES**

The Qualitative Research Interest Group (QRIG) is a working group of faculty and graduate students who use qualitative and mixed methods in their research. Central to the work of QRIG is a focus on intersectional dimensions of inequality and a commitment to social justice. QRIG seeks to raise the profile of qualitative methodologies in order to capture the lived experiences of understudied and socially disadvantaged populations.
