1242A School of Public Health Building

Department of Epidemiology and Biostatistics, University of Maryland School of Public Health is inviting you to a Special Seminar with NIH Program Directors. Dr. Das and Dr. Castille, Program Directors from the National Institute of Minority Health and Health Disparities (NIMHD), NIH will provide a seminar to introduce NIMHD Programs, NIMHD Funding Opportunities and Grantsmanship. NIMHD has various funding opportunities for research projects focused on minority health and reducing health disparities. A small group session followed by the seminar will provide unique opportunity to ask questions to the Program Directors and discuss on issues related to NIH funding, especially helpful for junior faculty. Refreshments will be served.

For questions related to this seminar, please contact Dr. Sunmin Lee (sunmin@umd.edu).
